The TEAM program emphasizes parental involvement, teacher continuity, the goals of independence and a lifelong love of learning. The parents, teachers and students form a learning team.

- Volunteer sign-ups occur during the Fall Potluck each year.

- Each TEAM family is required to sign up for at least one main event at the Fall potluck.
- Example: TAC board, TEAM Auction, Classroom volunteering.

Part of the parent responsibility when joining the TEAM program is to allow and trust the teacher to accomplish educational goals in styles that are most suitable to the individual teacher and group of children. This style may vary depending on the activity with which the child is involved.

TEAM Special Events Defined:

(Typical yearly events, but are subject to change)

BOOKS AND BREAKFAST

What a great combination!

Books and Breakfast is a delightful morning for all! TEAM students are paired up, a primary with an intermediate, to read together while enjoying some delicious breakfast treats. This is a fun bonding activity for the students, creating a greater sense of community.

ART WALK

Art created by TEAM students.

The Art Walk is an evening event where all original artwork created by children are displayed and attendees can walk around and view each individual piece. There are catalogs and order forms available to select your students art work transferred onto a variety of mediums. A few examples are: coffee mugs, night lights, totes, notebooks, pillowcases, ornaments, keychains, etc. Please allow 6 weeks for delivery.

This is held in the Fall, just in time to order the perfect holiday gifts for family members. This is definitely a favorite for kids and adults! This is a fundraising event.

FALL Potluck and General Meeting

Purpose:

Potluck Social Event

General Business Meeting

Budget approval for the year

Volunteer Sign-ups for the school year

Treasurer report

TEAM families attendance highly encouraged

Box Social

Intermediate students prepare lunch, entertainment and decorations for primary students. This is one of many opportunities for kids in different grades and classes to get to know one another. The students start by interviewing each other. The younger students take this information and make a special lunch box for their buddy. The older student takes the lunch orders, prepares the meal at school and packs it into the special box. The students then get to share lunch together and have a special lunch buddy recess.

Seattle Children's Theatre

All students get to spend the day in Seattle at the Children's Theater. Before their trip, they read and discuss the play they will be shown that year, and then get to see it come to life.

This is a favorite among the students. When the play is a fit for all ages, all TEAM students will attend the same play. If not, primary and intermediate will see a play at different times during the year.

Celebration of Literature

Each Fall, TEAM students get to celebrate reading. Each student chooses a book that interests them. They have about two to three weeks to work on their project at home. After reading the book they pick a character from the book with whom they connect. They write a short presentation about the book, from their character's perspective. They spend time rehearsing their presentation, then they get to dress up as their character and present to all the different classrooms.

This is a great way for students to practice presenting in a fun way, and for their classmates to learn about new books.

T-SHIRT DESIGN CONTEST

At the beginning of the school year, students bring home a large sheet of paper and can sketch an original drawing to be considered for the TEAM t-shirt design. The design must be an original and include the TEAM acronym as well as the school mascot. Each grade will vote on best design.

CHILI COOK-OFF POTLUCK /GENERAL MEETING

TEAM families attendance highly encouraged

Purpose

General meeting
Election of new officers
Treasurer report
Fundraising
Any other business

TEAM chili contest is awesome.

In this TEAM general meeting we vote for new TAC positions, catch up on new and old business and vote for our favorite chili.

If you have cooking skills, this is your chance to shine!

TEAM families can bring in a favorite home-cooked chili for a chance to win the coveted Chili-cook-off title and a special prize as well.

TEAM AUCTION

This is TEAM's main fundraiser.

An evening filled with a silent auction, buffet dinner, dessert frenzy and live auction. This is a fun night to support TEAM students. This is a chance to invite friends and family to support the TEAM program while picking up some great new items. All proceeds benefit the TEAM program. Students do not attend this event.

Chinese New Year and the Dragon Parade

HAPPY NEW YEAR & CHINESE NEW YEAR

Each year since 1989, the students in TEAM have participated in a Dragon parade around the school during the lunch recesses. The dragon head is displayed throughout the year in front of Fire Pod. Students have instruments and call out the traditional greeting "Gung Hay Fat Choy".

TEAM info night

Teacher led meeting informing prospective TEAM families about the TEAM Program. Current parents are often asked to come and help answer questions and at times give input about the program.

Trimester birthday bash

Birthdays are celebrated as a group each trimester.

In the trimester of your child's birthday, parents are asked to coordinate with other parents a snack or treat for the event. Children are acknowledged on their actual birthday in the morning school announcements.

Primary Day Camp with BBQ lunch

Day Camp:

Location: Varies year to year

TEAM Primary students in grades one, two, and three have a spring outdoor education trip each year referred to as Day Camp. The children travel to a local park and spend the day doing activities and projects related to the theme for the year.

Chaperones and the two staff members coordinate lessons and activities. For lunch they have a barbecue. This can be an extended day for the children depending on the camp choice for the year.

Third Grade Camp

Third grade students will continue their day camp experience with an overnight at Camp Indianola. They will return to school the following afternoon.

Salmon release field trip

Each year the classrooms get salmon eggs to raise and eventually release. As the salmon eggs grow, the students are able to observe and learn about the different stages of the salmon. Then, when the salmon are ready, the kids walk down to the Clear Creek trails where they are able to release the salmon into the wild. They also spend the day learning about the habitat along the trail.
