

## **TEAM'S PHILOSOPHY AND FOUNDATION PIECES . . .**

- Lifelong learning goals
- Cooperative learning opportunities
- Parent involvement and commitment
- Multi-age classrooms and cross-age learning/tutoring opportunities
- Positive discipline for classroom management
- Educational delivery system that addresses the learning needs of the full spectrum of learners within each classroom
- Hands-on learning opportunities
- Focus on the development of effective study skills
- Nightly homework plus an at-home reading expectation
- Learning opportunities beyond the classroom – fieldtrips
- Vertical planning for staff

Enrollment is drawn from a full range of learners and each class has more than one grade level. An application process is used and families are required to make a volunteer commitment of 78 or more hours per family per school year.
